

# Presentation to Portreath Climate Action Network

# Roles and Responsibilities – Flood and Coastal Erosion Risk Management

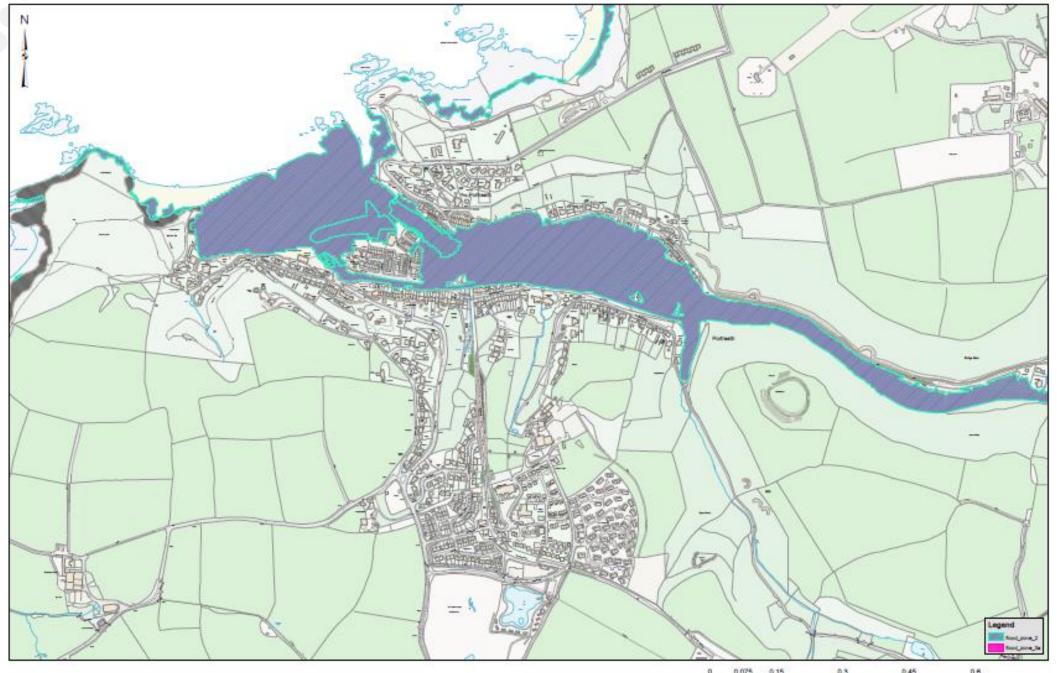

#### **Cornwall Council**

Environment Agency	Lead Local Flood Authority	Coastal Protection Authority (CC)	Highway Authority	Water & Sewerage (South West Water)
Prevention, mitigation & remedying of flood damage:	Local policy & strategy, and investigation in respect of flood risk	Coastal erosion risk management	Managing risk to highway network	Managing risk from sewerage systems
<ul><li>From the sea</li><li>Tidal</li><li>Main River</li><li>Reservoir</li></ul>	<ul> <li>Surface water flood risk</li> <li>Groundwater</li> <li>Ordinary watercourses</li> <li>SUDs - Planning</li> <li>Adaptation strategies</li> </ul>	<ul> <li>Managing the risk associated with coastal erosion</li> <li>Coastal Planning</li> </ul>	<ul> <li>Highway flood risk</li> <li>Flooding from highways</li> <li>Not responsible for Highways England road network</li> </ul>	Foul water flood risk
<ul> <li>National Strategy</li> <li>Strategic Overview</li> <li>Provide flood maps, flood warnings and flood alerts</li> <li>Flood Risk Management Projects</li> </ul>	<ul> <li>Local Strategy/Policy</li> <li>Investigate significant flood incidents</li> <li>Consent &amp; enforce on ordinary watercourses</li> <li>Asset Maintenance</li> </ul>	<ul> <li>Preparing long term shoreline management plans</li> <li>Carry out coast protection work</li> <li>Asset Maintenance</li> </ul>	<ul> <li>Providing and managing highway drainage including maintenance and improvement</li> </ul>	<ul> <li>Managing flood risk from surface water foul and combined sewerage systems</li> </ul>

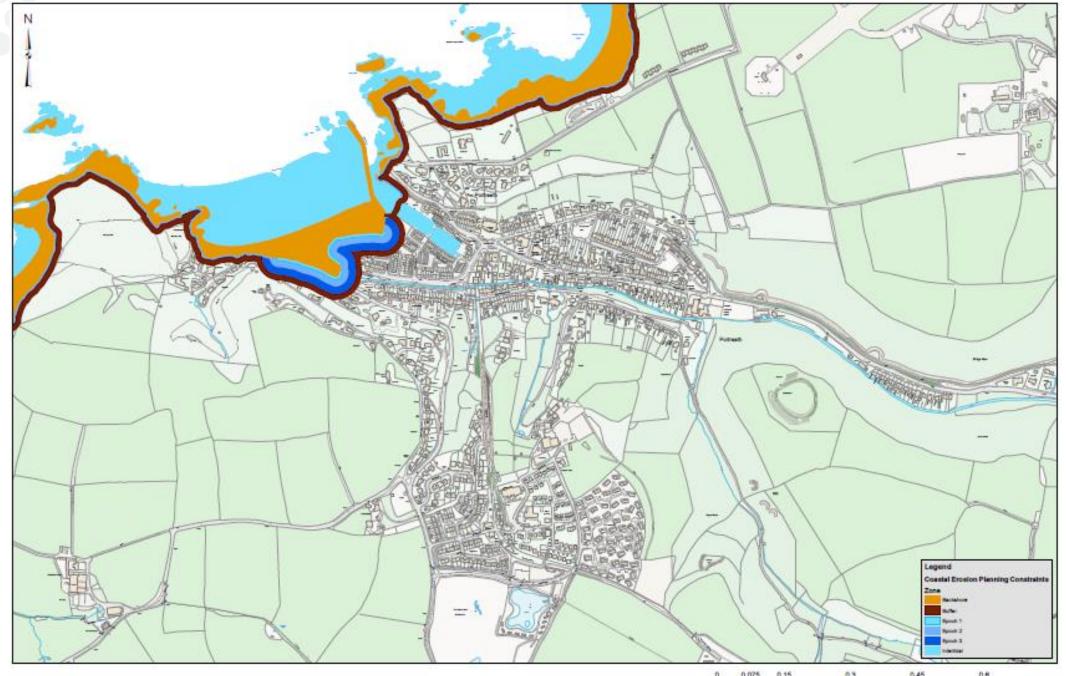

Asset Maintenance

# River and Sea Flood Risk

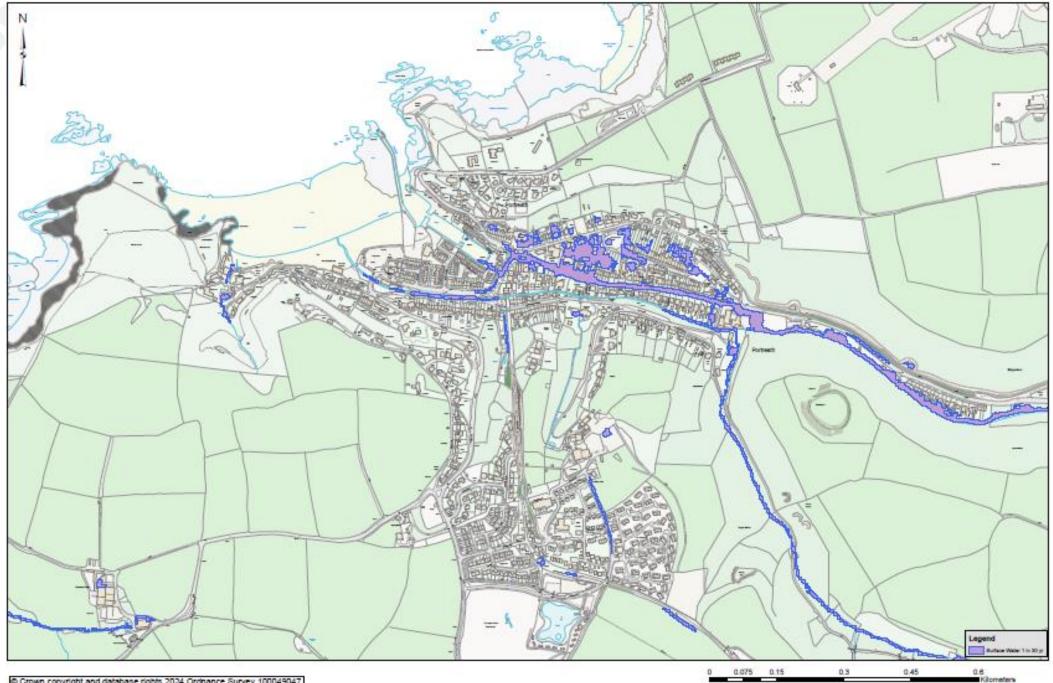

## Climate Emergency Development Plan Document (DPD) Read about how the DPD is used in planning applications on the coast

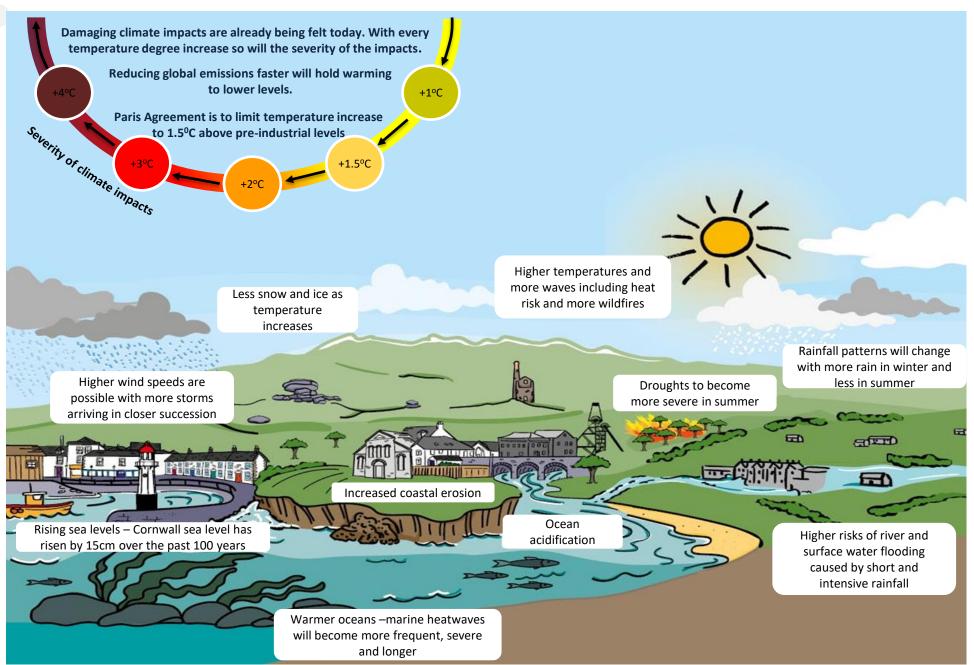

#### **Coastal Erosion Risk**

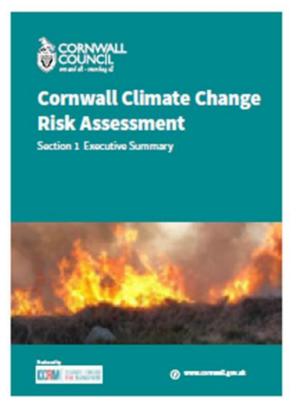

# **Surface Water Flood Risk**

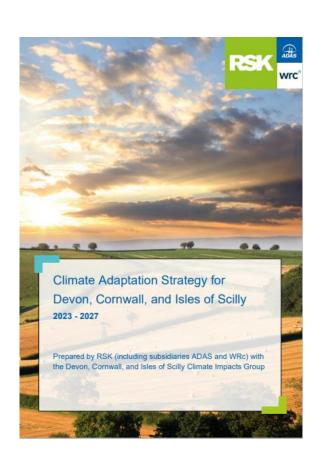

#### **Cornwall Climate Change Projection**

#### **Climate Adaptation**

**Cornwall Adaptation Strategy** 

#### What you can do

• Know your risk

Improve your water storage

Engage with the Community
 Area Partnerships

Adapt your home

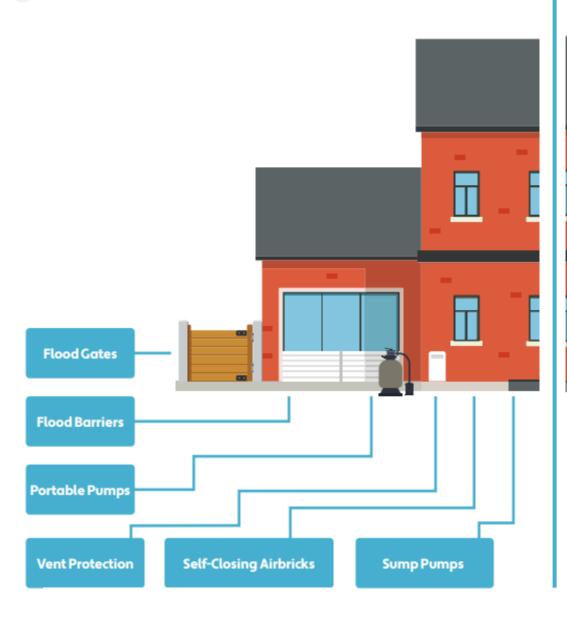

#### The Flood Mitigation Hierarchy

#### **Property Flood Resilience**

#### Resistance measures

#### **Resilience measures**

Storage of Important & **Raising Electrics Boiler Relocation** Valuable Items

**Resilient Room Design Resilient Floors** 

**Resilient Walls**
