Dear Sir/Madam

## **Infra23-006 - Tregea Hill, Portreath**

Cormac Solutions Ltd on behalf of Cornwall Council is inviting comments on a proposal to introduce 'No waiting at any time' (double yellow lines), 'No Loading at any time' and an extension of the existing 30mph speed limit on Tregea Hill, Portreath.

It is also proposed to introduce an advisory cycle lane on the northern side of the carriageway.

Significant on-street parking takes place on Tregea Hill, particularly during the holiday season, and, following discussion between stakeholders, this proposal was nominated to address concerns for the safety of vulnerable road users and to ensure adequate traffic flow

The main purpose of the scheme is to prevent inappropriate parking, promote active travel and ensure the safety of vulnerable road users, whilst maintaining adequate traffic flow.

As part of this scheme, the existing pedestrian route signing to and from Portreath will be reviewed and updated where appropriate.

Please refer to drawing No. Infra23-006\_SN01 for details of the proposals.

If you have any comments to make on the proposals, I would be grateful to receive them no later than:

**22<sup>nd</sup> December 2023**
