

Dear Local Business,

Portreath Parish is taking advantage of legislation to put together a Neighbourhood Development Plan. This plan will form part of the planning framework, governing all new development in the Parish of Portreath between now and 2030.

You may have already completed the initial general survey that was distributed to all residents and businesses in the Parish; this second survey is specifically targeted at businesses. It is important that we understand the needs and wishes of the business community so that we can properly reflect them in the policies that will shape the Neighbourhood Development Plan. We are keen to include the views of businesses of all sizes, from individuals working from home to larger employers, so we would be grateful for your responses however big or small your enterprise is.

You can complete the survey on-line at [www.surveygizmo.com/s3/4835706/NDP-Business-Survey](http://www.surveygizmo.com/s3/4835706/NDP-Business-Survey). The closing date for survey responses is 18<sup>th</sup> March 2019.

We are planning an event in early April so that we can share the survey results with you. If you are happy to be contacted by email (or post) about this and future updates please make sure that you answer question 14 in the survey as it will give you the opportunity to provide your contact details. You can also follow our progress via our Facebook page, search and follow @portreathparishndp.

Finally, it is still early days in this process and so if we have missed a business that you are aware of, please do pass the details of the survey on to them; everyone's view is important.

Thank you for your support and we look forward to your responses.
